

Requiring stations
owned and operated
by Sinclair
Broadcasting to air
an anti-Kerry
“documentary” days
before the election
is just plain wrong.

As a parent, as a
teacher, as a
citizen of the
United States of
America I am
outraged at what has
become of our
mainstream media. I
expect the FCC to be
a watchdog agency
for this blatant
misuse of the power
that media
consolidations has
had. I fear the END
of our democracy!
Thank you for
listening to my
comments.
